

Congratulations on your upcoming wedding!

As we're sure you know, flowers are one of the most important ingredients in any special event.

Put Unique Designs Florist Studio to work for you. Each wedding we do is customized to suit the bride's taste and style, from the very traditional to the most contemporary, using the freshest flowers in the Dayton area. For your convenience Unique Designs carries a complete line of wedding rental items such as candelabras and aisle standards, as well as rental containers for reception centerpieces.

All wedding and event designs are overseen by a certified and accredited floral designer on staff.

Feel free to stop by and browse through our library of design books as well as photographs of our work, or call ahead and we'll reserve some time to discuss your needs with one of our accredited and certified designers. Our initial charge of \$65.00 includes a one hour consultation and a professionally written design plan created just for you! Call and make your appointment today! Our hours are 9 am to 6 pm Monday through Friday and 9 am to 5 pm on Saturday.

Best wishes,
